**Longtime OCC Staff
Member**

**My training as a volunteer
began quite some time before
my training as a volunteer
began.**

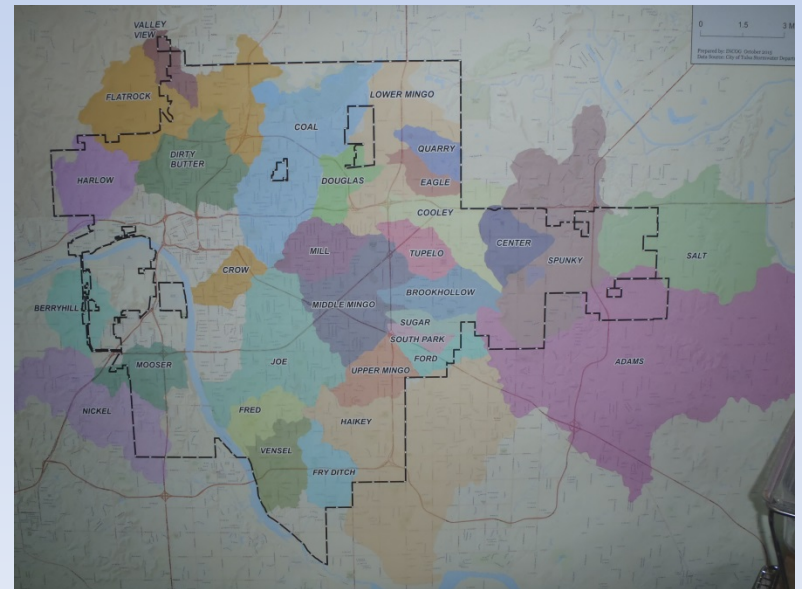

I brought “others” to training too.

Blue Thumb Training - Learn About:

- Watersheds
- Pollutants
- Chemical testing
- Understanding data
- Paperwork

- Fish collections
- Bug collections
- Habitat
- Creatures
- Stewardship

**Once trained, promptly
put to work.**

Sharing the Love, Jim's way

Other's dedication helps a lot.

**Sometimes these people
want to give Jim orders.**

Stream Protection through Education

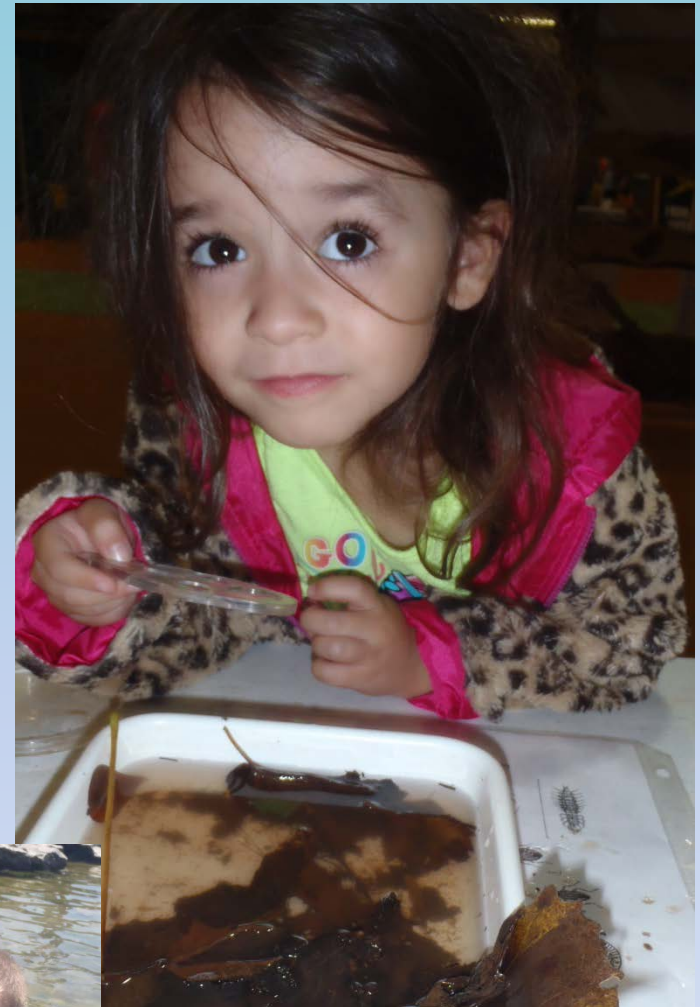

**Volunteers
are
their VOICE**

Do they deserve
clean and healthy
streams?

**I will be a Blue Thumb
volunteer until I die.**
