

Back to Nature

**Join Us for the 18th Annual
Oklahoma Clean Lakes and
Watersheds Association
Conference**

APRIL 1-3, 2009

**Quartz Mountain Resort Arts and
Conference Center,
Lake Lugert-Altus,
Lone Wolf, Oklahoma**

It's time to return to nature after a year in the big city! In this spirit, the 2009 meeting will be held at Quartz Mountain State Lodge on the shores of Lake Lugert-Altus. The conference will begin Wednesday, April 1, at 1:00 pm and conclude the morning of Friday, April 3. An array of talks will be presented on Wednesday afternoon and Thursday and Friday mornings. As a treat to our members, we will take an informative train ride around the lake to learn about local history, geology, and the watershed characteristics! The Wednesday evening session will be open to the public and focus on regional watershed issues including carbon credits, chloride control, and climate change. Conference registration fees are just \$80 (student fee \$30). Please consider presenting your work by completing the *Call for Presenters* and/or the *Call for Posters* form(s). The *Fifth Annual Dale Toetz Undergraduate Student Poster Competition* will be held at this year's conference.

18th Annual OCLWA Call for Posters

As part of the 18th Annual OCLWA Conference, undergraduate students from accredited colleges and universities are invited to participate in the ***Fifth Annual Dale Toetz Student Poster Competition***. Students are invited to submit high quality poster presentations related to contemporary lake and watershed management issues. Poster prizes (including cash awards) will be given based upon study quality, individual contribution to the work, significance to lake and/or watershed management issues, and presentation clarity.

The poster should include the following: title (including authors and addresses), abstract, introduction, purpose, results, conclusion, and discussion. Lettering should be large and legible. The overall poster size should not exceed 48" X 48". Authors must supply a sufficient backing so the poster will stand upright on a table or easel. Posters will be displayed throughout the meeting. Competitors will be required to stand by their posters during the judging period (time to be announced in the Meeting Program).

If you are interested in presenting a poster or display at this year's conference, please fill out the form below and fax to Greg Kloxin at 405.522.4730. Submit abstracts electronically to Greg at greg.kloxin@conservation.ok.gov or mail to: OCLWA, P.O. box 60753, OKC, OK 73146. For additional information contact Greg by email or phone at 405.522.4737.

Abstracts should be 200 words or less and are due by March 3, 2009.
