

*Supporting marinas and protecting waterways*

## 27A O.S. § 2-3-105

1994

- Defines pollution prevention
- Establishes the Pollution Prevention Program
- Provides program directives

## Recent Activities

- Autobody Outreach
- “Greening” Business
- Tourism
- NE OKC Community

## Technical & Compliance Assistance

## Recycling

## OKStar

Waste is anything that  
does not add value to  
product.

# Site Assistance Visits

---

By invitation

---

Low-key, unobtrusive & non-disruptive

---

May be limited to specific parts of the facility

---

Compliance & Technical assistance

---

**CONFIDENTIAL**

---

Any technical assistance or information obtained shall not result in any regulatory inspections or other enforcement actions

Unless there is a reasonable cause to believe there exists a clear and imminent threat to the public health or safety or to the environment

- Part of “greening” the Tourism sector
  - Hospitality
  - Restaurants
  - Parks
  - Events
  - Attractions
  - ...
- Based on the principles of national Clean Marina programs

Marinas, Boatyards & Boaters

Sailing on beautiful Oologah Lake  
*Lisa Butler, Tulsa*

- Collaborative partnership
- Help preserve and improve natural resources

Broken Bow Lake

① Take the  
Clean Marina  
Pledge

② Conduct a  
self-  
assessment of  
your property

③ Schedule a  
confirmation  
visit

Marina

## ***ENVIRONMENTAL IMPROVEMENT GOALS WORKBOOK:***

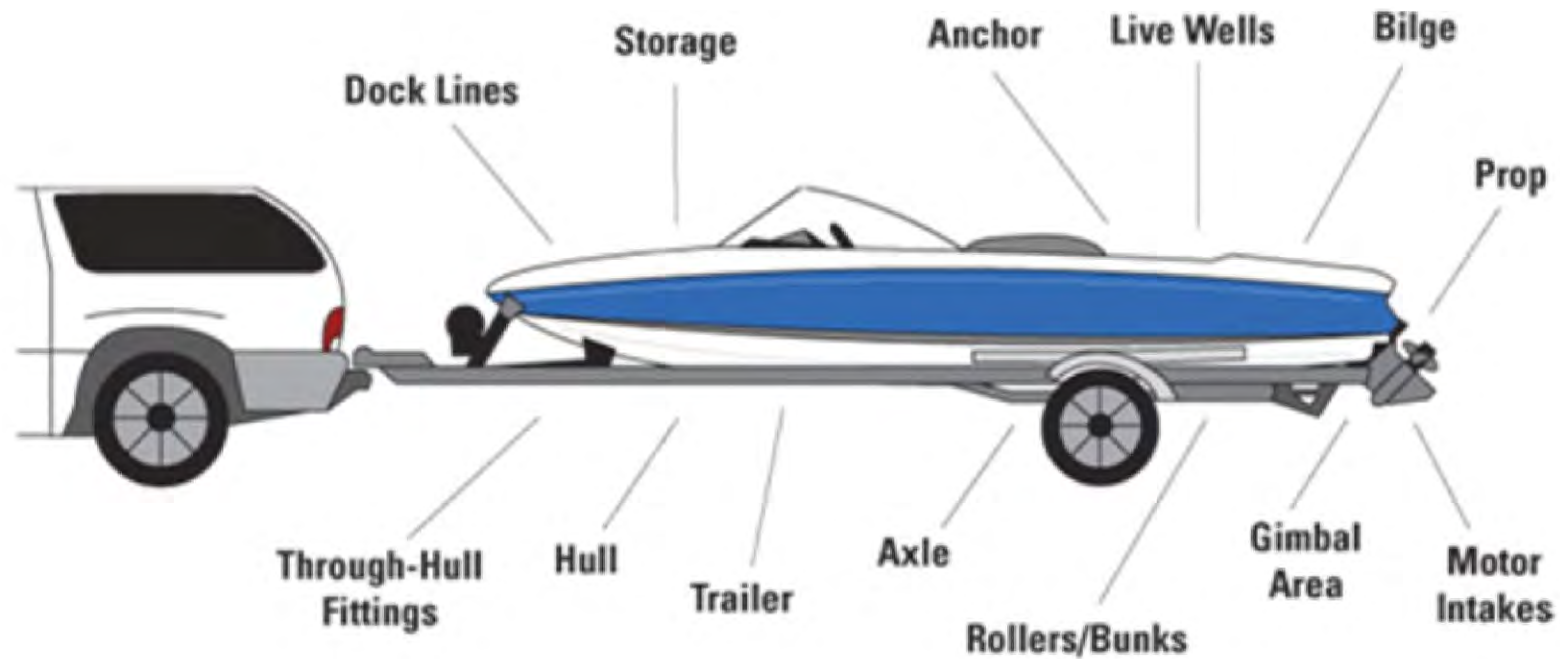

- Recycling/Reducing Solid Waste
- Increasing Environmentally Preferable Purchasing
- Conserving Water
- Conserving Energy/Using Renewable Energy Sources
- Reducing Nonpoint Source Pollution
- Conserving or Creating Habitat

**Clean Boater**

Before launching and before leaving...  
**Inspect everything!**

Read  
Clean  
Boating  
Tips

Agree to  
follow the  
tips by  
signing the  
pledge  
card

Mail  
pledge  
card to the  
Pollution  
Prevention  
Program

Display  
OK Clean  
Boater  
sticker  
on your  
vessel

# Clean Boater Pledge:

*As a participating member of the OK Clean Boater Program, I have read the Clean Boating Tips and do pledge to abide by the guidelines covered therein. I will further insure that all passengers aboard my vessel follow the guidelines and maintain a clean boating environment. Upon receipt, I will prominently display my Clean Boater sticker on my vessel.*

Recycle when  
possible

Practice proper  
fueling

**PLEDGE**

Keep OK waters  
free of trash

Use pumpout  
facilities

Participating facilities meet and  
exceed State and Federal  
standards of environmental  
compliance

## OKStar Participants

---

Lower energy and waste removal costs

---

Reduced environmental liabilities

---

Publicity for your business

---

Recognition as a OKStar member

---

Training/Workshops

---

Sense of pride for environmental responsibility

---

Better health for employees

OKStar Participants

Bob Moore Auto Group

We are what  
we repeatedly  
do. Excellence,  
then, is not an  
act, but a  
habit.

All human actions  
have one or more  
of these seven  
causes: chance,  
nature,  
compulsion,  
habit, reason,  
passion, desire.

*"Why, sometimes I've  
believed as many as six  
impossible things before  
breakfast."*

— The Queen  
Lewis Carroll, *Alice in Wonderland*
